Approval of Agenda - carried

Artistic Director's Report - Nick addressed the choir as he had only just put his report on groupanizer. The main focus was the fact that we had lost a lot of choir members from this time last year, due to a variety of reasons, but Nick thought one of the main reasons was the number of concerts that we held last year, which was one too many in his opinion, and in future we are better concentrating on three concerts per year.

Receiving auditor's report with thanks to Brenna - Nick moved, Gillian seconded = carried.

Budget:

Susan moved and Nicholas seconded that the budget be adopted as written -

It should be noted that Diane and Daphne voted not to accept the budget as presented.

Budget was accepted.

Nominations for Executive Committee

Cheryl Vickers; Gordon Shrimpton; Nicholas Woollard; Steve Soule; Gillian Lightbody; Tsiporah Gottlieb.

This was accepted.

Diane McWilliams and Daphne Hughes declined to join the board this year, but it should be noted they are both willing to continue with various activities and jobs pertaining to the successful running of the choir.

Margaret Bates has also said she would be happy to handle the majority of the publicity, although would not be joining the board.

Meeting adjourned.
